

3rd March 2023

Air Ambulance Day

You will have received a letter from School Council last week informing you that their chosen charity for this term is Air Ambulance. School Council representatives will be delivering a presentation at assembly next week showcasing the important work of the charity. To raise funds we would ask you to send a small donation in with your child on Friday 10th March. This will be a non uniform day and all pupils are encouraged to wear red.

Further to this, we are partnering with Air Ambulance to give you a special discount on all of their merchandise.

School Council will be taking pre-orders on Tuesday and Wednesday next week of items pupils would like to purchase. These items will then be delivered to the school and on Friday 10th March P7 a shop will be open to purchase the items with a special discount of 15% for anything purchased on the day.

To view the items please go to <https://airambulancenri.org/shop/> before Tuesday and let your child know if there is anything you wish to purchase.

Kind regards,

R Irvine
Principal
