

9<sup>th</sup> March 2023

## Latest Update

### Air Ambulance Day

Tomorrow is a non-uniform day and pupils are encouraged to wear red. To raise money for Air Ambulance (this term's chosen charity from School Council) pupils should bring in a small donation.

In addition to your donation please send money to cover any purchases you would like to make from the Air Ambulance Shop. P7 will be operating the shop and pupils will get the opportunity to visit during the school day.

### Weather Warning

The Met Office has issued a yellow warning of snow affecting Northern Ireland between 07:00 (UTC) on Thursday 9 March 2023 and 14:00 (UTC) on Friday 10 March 2023. There is a risk that this warning may escalate to an amber warning where the risk of high snow accumulations occur. In the event of disruptive snow, this may impact normal service delivery at a local level.

What to expect:-

- Possible cancellation of EA bus services
- Possible cancellation of EA School Meals services
- Possible school closure due to dangerous road conditions

We will keep a close eye on weather patterns overnight; however, it is impossible to say at this stage how much the local area will be impacted.

As early as possible tomorrow morning we will update you via the school app.
